

Online Registration

Registration for the 2021-2022 School year in Speedway Schools will start July 1.

Speedway Schools has elected to use PowerSchool Enrollment Express for returning student registration at all grade levels.

Registering for a Parent PowerSchool Account (if you don't already have one)

In order to use Enrollment Express, each family must have a **PARENT** PowerSchool account. If you do not have a PARENT PowerSchool account, use the information enclosed in this mailing to create your account. If you encounter problems with creating a Parent PowerSchool account please contact your school for assistance.

Complete Required Online Enrollment Forms

From your parent PowerSchool account, select the tab for the student you are enrolling and then click on the Forms link in the left column. A listing of required enrollment forms for each student will be displayed.

- Student Information Update
- Contact Information Update
- Parent/Guardian Information Update
- Permissions/Agreements
- Student Change of Address

Parents requesting enrollment for students at any grade level must complete and submit all required forms to finalize enrollment applications. Please do so starting July 1. Most forms will be pre-populated with information from the previous year's data. Be sure to verify data you provide before submitting to ensure information on file with the school is accurate and complete.
