

STOS News Release 11.19.21

School Town of Speedway – Friday, November 19, 2021

The School Town of Speedway is seeking applicants interested in serving as classroom Teaching Assistants, also known as Paraprofessionals. There are many positive things associated with working in your child's school. First and foremost, the work is meaningful and rewarding. In addition, the days and hours are often perfect for parents. You are off work when your child is off school (school holidays and breaks). The current pay is \$13.50 per hour and you have the opportunity to participate in our school's health insurance plan through United Health Care.

The most basic requirement for a Paraprofessional is a high school diploma (we will even assist you in the completion of a Paraprofessional Certification) but, the most important characteristic we are seeking is a willingness to work and care for children. If such working conditions are of interest to you, then please speak with your child's principal to learn more about the positions. You can also apply on-line at www.speedwayschools.org and look for "Employment Opportunities". If you have questions, please contact Assistant Superintendent, John Dizney at 317-244-0236 or jdizney@speedwayschools.net to learn how to apply.

Other Employment Opportunities:

Speedway Junior High School is looking to fill the following coaching positions:

- JH Assistant Swimming
- JH Head Wrestling
- JH Assistant Wrestling

If anyone is interested in these paid positions, please reach out to Dan Maple, SJHS Athletic Director at: dmaple@speedwayschools.net
